AGC's Transformational Training

AGC Uganda Calls for a 40 Day Prayer Challenge

God wants to **awaken** AGC Uganda. In Ezekiel 37 God desires to awaken His people through His Word and to fill them with His Holy Spirit. We believe that is what God wants to do in AGC Uganda and, thus, the AGC leaders are committing to pray for forty days and are asking God to

revive AGC. Beginning on **26 February 2020**, the entire denomination will be seeking God in a special season of prayer. Would you and your church join us? Specifically, our Bishop is inviting the church members to humble themselves as we together ask God to open the ears of every

leader and member to hear the **WORD** of God in new and fresh ways. Furthermore, we are asking God to fill us with His Holy **SPIRIT**. We call upon every member, pastor, trainer, leader, and friend of AGC to join us in asking God in prayer to revive His people.

Transformational Training of Trainers

AGC announces the launch of the revised pastoral training program that is now being called Transformational Training. The training happened in Entebbe from 28-31 January and integrated teaching on Scripture, missions, stewardship and Farming God's Way. Trainers will be facilitating these lessons in each of the AGC areas.

AGC celebrates God's faithfulness in January 2020 as the Church was very active. For example, Nabuganyi AGC hosted a children's campmeeting as well as helped to host a youth leaders conference that was

held in Kamuli district at Busambu AGC. Furthermore, we rejoice in the dedication of a new AGC church in Rakai district. God provided through partnership with a South Korean organization and the church was dedicated on 29 January 2020. We celebrate God's goodness in and through AGC.
