AGC Kenya's Leadership Conference

AGC Uganda Welcomes 2020 with *The AGC Connection*

The AGC Uganda is excited to begin 2020 by introducing *The AGC Connection*. Connections help build and strengthen relationships and it is our prayer that this newspaper will be a means of developing Africa Gospel Church Uganda's identity as a Church that seeks

both the wholeness and holiness of its members, their families, and their communities. This brief newspaper is designed to provide a point of reference for AGC Uganda's news, prayer items, and important upcoming dates. The editorial team welcomes church members to

submit potential prayer items, news, and pictures for future issues. *The Connection* is under a six-month probation period after which the denominational leadership will re-evaluate the paper's role in helping AGC leaders and members connect with each other. The paper is sold for 500/=.

Bishop Joseph Represents AGC Uganda at Kenya Pastors' Conference

Kenya AGC held their biannual pastors conference in Bomet, Kenya 2-6 December 2019. Bishop Joseph Ogweyo and his wife, Evelyn, led a team from AGC Uganda, which included WGM missionaries Billy and Joanna Coppedge (and their children) and Aubrey deVries. The team praises Jesus for His protection while traveling as their vehicle had problems. However, they reached the conference and praise Jesus for a wonderful week of encouragement with our AGC East Africa brothers and sisters. AGC Uganda celebrates how God continues to bless and multiply AGC Kenya.

Transformational Training 2020

The AGC Training Committee is excited to announce a change in the AGC pastoral training program. In early 2020, the Church will be launching a revised one-year leadership-training program that seeks to emphasize the AGC's core commitments to **wholeness and holiness**. The AGC leaders recognize this involves spiritual and physical transformation; thus, the new training program integrates three key areas: pastoral and biblical teaching, stewardship, and agricultural development. More information regarding costs will be forthcoming.
